Adopt a Fair Friend

handcrafted by women
in India

This stuffed animal was
sewn by women artisans of Sasha
In India. Earning fair wages in
healthy working conditions, they're
creating bright futures for their
families. Sasha's principles:
equity, social justice, and
environmental concern.

Sasha has been our
fair trade partner
since 1979.

ten
thousand
villages.

love: playing tag and chasing my friends through lots of bendy burrows (I have the best hiding spots)

highest leap in the air: 6 feet (so far)

secret way to talk to friends: wiggling my ears and looping my tail

want to learn: sign language

favorite color: violet (I want to dye a tuft of my fur)

annoyed by: wearing socks that are the same color

most admire: my grandma (she cracks the cleverest jokes)

hello

My name is _____

My birthday is _____

I am now part of _____'s family.
