

ten
thousand
villages.

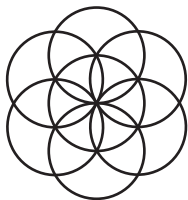

This serveware celebrates the
cyclical nature of life through
sacred geometry – from creation
to growth to equilibrium and
back around again.
These repeating mathematical
patterns are universal designs
found in all parts of nature,
including ourselves.

SACRED GEOMETRY

Creating balance
inspired by nature

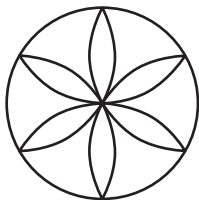

Handcrafted by potters of
Mahaguthi in the
Kathmandu Valley of Nepal

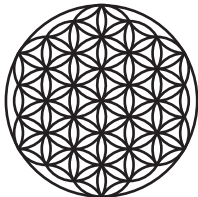

SEED OF LIFE

Symbol of creation,
potential and unity

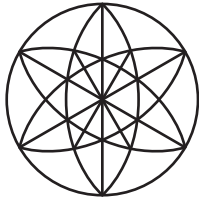

GERM OF LIFE

Duality in all things –
with power comes responsibility

FLOWER OF LIFE

Universal cycle of creation and
interconnectedness of life

VECTOR EQUILIBRIUM

Ultimate balance and harmony,
when possibilities are infinite
